ANNUAL REPORT

Presbyterian Children's
Homes and ServicesSM

James
1:27

Religion that is pure and undefiled before God, the Father, is this: to care for orphans and widows in their distress.

In 2017, we served over **5,000** children and families throughout Texas, Missouri and Louisiana.

A Message From Our President

If you opened this annual report, you are likely a valued friend of Presbyterian Children's Homes and Services. PCHAS exists because people like you recognize the importance of what we do: serve children and their families as Jesus taught us—without judgment or forcefulness, and always with unconditional love.

When we first opened our doors, PCHAS operated solely as an orphanage. Today, we offer 12 programs that serve approximately 5,000 children and families across three states. We employ professional therapists, case managers and support staff who are committed to delivering the highest quality of care. Not only do we follow best practices within the field of social work, we are continuously evaluating our performance by measuring outcomes and client satisfaction. Within our management structure, PCHAS provides exceptional opportunities for staff to amplify their effectiveness by participating in interdisciplinary trainings, collaborative leadership opportunities and by maintaining strong connections to our work in the field.

I am blessed to look back on 19 years with PCHAS. In my new role as president, I reflect a great deal on the core goals of our agency. I keep coming back to how we strive to serve like Jesus. Though we've expanded our scope of care and modernized our business models and caregiving methods, we are who we have always been: a faith-based family of Christian disciples who, together, heed the call from James 1:27 to "care for orphans and widows in their distress."

As our mission partner, you are a member of this family of disciples. The pages that follow represent what our family has accomplished together over the last year. With your help, 1,500 struggling parents have overcome countless challenges to achieve self-sufficiency, and 3,500 children have found permanency in safe, loving homes. Last year, PCHAS found 89 forever homes for children in need—the largest number to date! We celebrated 15 high school and college graduates and received overwhelmingly positive feedback from our clients.

Thank you for your continued membership in our PCHAS family. I hope that this next year brings us all many blessings, including the opportunity to reach even more children and families in need.

For the children,

A Message From Our Board Chair

For those of us with busy modern lives, it can be a challenge to focus on the simple things. From 24-hour news cycles and social media feeds to our constant connectivity via smartphones and computers—I find refuge in the simple truths of my faith. Matthew 19:14 tells us that Jesus said, “Let the little children come to me, and do not stop them; for it is to such as these that the kingdom of heaven belongs.”

This simple truth, that Jesus relies on us to nurture children so they may know his love, is also the foundation upon which PCHAS builds its programming. I feel blessed to be a member of the PCHAS family, and see time and again how it is caring for children who have experienced the greatest of traumas.

Abandonment and abuse in our chaotic world threaten to prevent the most vulnerable among us from experiencing the simple joys of childhood. But small acts of kindness and love add up, and together, PCHAS donors fund programs that heal and support children as they grow into healthy, productive members of our society.

We know that the best way to care for children is to give them our love, but PCHAS has taught me that we must also rely on proven tools like therapy, trust-based interventions and parent education to ensure that cycles of abuse and hopelessness are truly broken. These programs and the skilled professionals who work tirelessly to serve our neighbors in need rely on us, their partners in ministry!

I hope that you are inspired, as I am, by the meaning behind this annual report. To me, though our world is fraught with complication, these pages prove that we are able to accomplish the most simple and necessary goal set before us as followers of Christ: to provide care and support to children and families in need so they may know his love.

Sincerely,

A handwritten signature in purple ink that reads "LaRaine".

Our Mission:

We provide Christ-centered care and support to children and families in need

Our Philosophy of Care:

Family centered
Strength focused
Goal driven

**THE
PCHAS
WAY**

Our Core Goal:

Permanency for children and self-sufficiency for adults

Our Programs

PCHAS PROGRAMS

Residential Programs

Group Homes (TX): Our Group Home program serves 34 children, ages 5-18, at any given time. These children have experienced some type of trauma, such as neglect, abandonment, abuse, divorce or a death in the family.

Education (TX): Professional educators prepare children in our group homes for graduation and higher education, and remain available for guidance and support.

Residential Treatment (MO): This program serves boys and girls who need a more structured, supervised environment as they heal from severe trauma.

Transitional Living (TX & MO): 16-24-year-old young adults receive customized support as they grow into independent adults with sustainable plans for the future.

Single Parent Family (TX): This program provides struggling parents and their children with housing, financial and emotional support, therapy and services that promote self-sufficiency.

PCHAS Initiatives

Mission 1:27 (TX): Based on James 1:27, this one- to four-week Sunday morning presentation, designed for inclusion in worship services, lifts up the urgent need for Christian foster and adoptive parents. PCHAS shares the unique experiences of children and adults in foster and adoptive families.

My Faith Family (TX): We help provide a way for congregations to surround and support congregants who are providing foster care to children in need.

Community-based Programs

Foster Care (TX): Children in foster care, like most of our clients, come from backgrounds of abuse, neglect, poverty or abandonment. Our expert staff screen, train and support caring families who give these children a stable and loving home.

Maternity and Adoption Services (TX): Specialists train and support couples seeking to adopt, while a team of caring staff support women who are experiencing an unplanned pregnancy and are considering an adoption plan for their child.

Foster Care Case Management (MO): Working in partnership with the Missouri Alliance, which recruits and trains foster parents, PCHAS foster care case management experts place children in loving foster homes and supervise their continued care through to permanency.

Medical Case Management (MO): Medical case managers ensure that children in foster care receive medical, dental, vision and hearing screenings, as well as all required immunizations. This program ensures that children in foster care have healthy bodies while tackling emotional and spiritual injuries.

Child & Family (TX & LA): This in-home family preservation program stabilizes families during a crisis such as poverty, abuse, neglect or homelessness.

Family Solutions for Kids (MO): Expert staff visit families in their homes to illuminate cycles of harm and change behaviors to provide a loving and nurturing environment for children.

Therapeutic Mentoring (MO): Mentors meet with children at home, school or in the community at least once a week to implement a customized therapeutic plan for overcoming crises or long-term struggles.

2017 Honor Roll

Introduction

We were blessed in 2017 by the financial support and faithful prayers of numerous friends who embraced our mission of providing Christ-centered care and support to children and families in need. In the following pages, we recognize their financial commitments and voluntary service. Thank you for empowering us to serve over 5,000 children and families throughout Texas, Missouri and Louisiana.

We give thanks for friends who donated \$1-\$179.

Space limitations prevent us from listing all our dear friends who donated \$1-\$179.

We deeply appreciate everyone's contributions which provided Christ-centered care and support to 5,000 children and families in need.

It hasn't been an easy road for Devin, a young tubist who recently played at Carnegie Hall in New York City. During his junior year of high school, he and his brothers were placed in foster care. PCHAS foster care case managers worked with Devin to create the most appropriate plan for a permanent home and provided him with the love and support he needed to make it through those most difficult times. Devin lives with his aunt and uncle, and his brothers are safe in other caring foster homes.

While it's been a tough few years, Devin has been able to turn to what has become more than a hobby – music. He enjoys playing so much, in fact, that he has decided to be a music educator and help others experience the joy of making music as a solo artist and as a member of a band.

After graduating high school, Devin plans to pursue a dual major in music education and tuba performance. Then he aims to obtain a master's degree in music education, and finally, to earn a doctorate in performance. He was recently awarded a \$25,000 scholarship from the Horatio Alger Association of Distinguished Americans, which recognizes outstanding students who have faced and overcome great obstacles to pursue their dreams through higher education. While playing at Carnegie Hall might be the end-goal for most musicians, it's just the beginning for Devin.

A young girl with long dark hair, wearing a bright green coat with a yellow patch, is reaching out with her hands towards a large, iridescent bubble. She is looking at the bubble with a focused expression. The background is a lush green lawn with trees, and another smaller bubble is visible in the upper right. The image is overlaid with a purple and teal geometric design.

Presbyterian Children's Homes and Services'
values reflect God's instruction in Micah 6:8:

"Do justice, love kindness and walk
humbly with your God."

We express this model of faithfulness in all of our programs.

Church Engagement Partners

Through two church-based initiatives, PCHAS promotes the urgent need for foster and adoptive families (**Mission 1:27**) and a way for congregations to surround them with love and support (**my faith FAMILY**). We give thanks for the following congregations who opened their doors and hearts in 2017 to the children in their communities and our foster and adoptive families. The following churches became a **Mission 1:27** church (James 1:27) by lifting up the need for foster/adoptive families, or by becoming a **my faith FAMILY** church, or engaged in a variety of other foster and adoptive family events.

A PCHAS Story: The Wages

Jeff and Angel Wages were the proud parents of two grown children, now 28 and 26, and they enjoyed their empty nest. But two years ago, the Wages became foster parents to 18-month-old Walter, who had spent time in more than 10 homes before coming to theirs.

According to Jeff and Angel, their PCHAS caseworker, Cristina, was a godsend. Cristina accompanied them to Walter's doctor's appointments where she advocated for him and made sure he was evaluated properly to get the care he needed. "Every person we have met at PCHAS has been wonderful," said Angel. "They scheduled trainings around Jeff's work schedule, which really helped with our stress level and helped us get stuff done. They just go above and beyond."

This April, after 384 days in foster care, Angel and Jeff adopted Walter. He is now a thriving three-

year-old who loves playing outside in the dirt or in the sprinkler. He's a lovable kid with a new family that adores him. "The love we have for him and that he has for us is unbelievable," said Angel.

On his adoption day, the Wages' extended family came to the courthouse. They brought gifts to celebrate and everyone wore t-shirts that read "Team Wages" with that special date. It was a joyful atmosphere. There was no more worrying if Walter was going to leave or if he would finally find a forever home. "It was wonderful knowing that he was finally ours," said Angel.

Staff Profile: Keri Moran

Her work can be tough, but Foster Care and Adoption Case Manager Keri Moran's greatest joy comes when she witnesses healing in children and families and she sees them reach their goals.

Keri is constantly in awe of the foster and adoptive families who make so many sacrifices on a daily basis. She knows that, together, they are a team of adults who put children's needs first.

Because of this love and dedication, Keri sees the lives of kids transforming. Children who were once hurt by abuse and neglect are transformed into children able to grow beyond their physical pains and emotional sadness; they become carefree and rediscover the joy of laughter and the ability to trust adults.

"Every child needs an adult who believes in them and encourages them," says Keri. "I think even having just one positive adult who cares can completely change a child's life."
